Govt. Project

We use to source
candidate with the
help of village.

About Us

Dreams Catcher is operationally started in 2012 from Himachal Pradesh (India), which aims to provide all exclusive placements, Training & Travel Services to corporate & individual.

Dream Catchers offers personated services where complete customer satisfaction is our Goal.

Dream Catchers consists of people who have depth & breadth of experience in these industries. Dream Catchers has representative in most parts of India and constantly moving ahead to spread all over India.

We Deal in PPP (Public Private Partnership) Model under various project of central and state government. Where we identify rural and urban BPL youth, source them, train them and give opportunity to work in well-known companies. We have trained more than 1500 candidates and place 90% of them in various companies in Retails, FMCG, Hospitality, BPO sectors.

We are a leading company in the industry having 6 offices in UP, Rajasthan, Punjab, Himachal Pradesh, Uttarakhand and Madhya Pradesh and we are placing candidates in Retail, Facility, BPO and FMCG Companies. Few of our Contracts with Big Brands are in Pipeline and targeting to spread in all the main cities of India by year 2014.

Mission

- To provide educational services to ambitious youth in the field of competitive exams, enhancement of different skills and helping them with job placement.
- To be loyal to our clients, our partners, our employees.
- To Give 101% Service to our clients 365X24X7.
- Achieving perfection in delivering results.

Vision

- To be the most trusted mentor to students by providing contemporary tools of learning, making them confident to catch their career goals.
- To be the most admiring company and be the first choice of any company in any field.
- For partners and employees -Be Secure, Earn more and live happy life.
- To be most trusted partner, for students making them confident to catch their career dreams.

Class Room Training- We do the training of the candidates where they learn communication skills, presentation skills, Selling Skills .In this training they do role plays, get prepared for the interviews.

Interview: - After the Classroom training they were sending for the final interview with the top players of the industries. After the interview they were given offer letters and told about the salary structure, their role in the company, reporting Manager and the Date of Joining. We handhold the candidates to get the rooms on rent if the candidates were placed outstation.

Placement:- Finally comes the joining of the candidates for the job they had dreamed.

Tracking: -After the Placement tracking was done for 1 year so that candidates were not get any type of problem in adjusting in work culture of the company process and if anyone find any difficulties, our representatives council them and motivate them to continue the services and if the doubts were not clear then we help him in finding another job.
